

Pray the power of miracles and breakthrough in our community through prayer walking.

- **Start Local:** Begin with your neighborhood. As you walk, pray for your neighbors and the households around you.
- **Expand Your Horizons:** Identify other areas in our town that could use prayer. Maybe it's a park, a local business district, or a school that comes to mind.
- **Join in Fellowship:** While individual prayers are powerful, there's increased strength in numbers. Gather with friends or family, and pray together as you walk.
- **Share Your Story:** Your experiences are valuable. Chart your prayer routes on the map at our church and share what you've encountered or felt during your walks.

**For Those Who Can't Walk:** If walking isn't feasible for you, don't count yourself out. Drive through our community with the same prayerful heart, and know that your participation is just as impactful.

Seek the welfare of the city where I have sent you... and pray to the Lord on its behalf. - Jeremiah 29:7

# Do it: How to Prayer Walk

This uses WALK as an acronym, and contains 4 simple steps:

## W – Worship

As you set off walking begin with your eyes on Jesus. Say the name of Jesus; recite a Psalm; hum a worship song; to declare the Lordship of Jesus over the streets you walk on.

## A – Ask

Flowing from your worship begin petitioning God for His Spirit to fall on the streets you walk on, the homes, businesses, schools, and other churches you walk past.

## L – Listen

As you worship and pray, leave space to listen to what God might want to say to you - then pray that back. Often God may give you promises from scripture or prophetic words and pictures; listen for promises and literally walk these promises all over your community.

## K - Know your Land

Get (and keep) yourself informed around the area you are prayer-walking; research some of its history; some of its ongoing problems; so you can pray for breakthrough.\*
